

School Parent Partnerships :

The school keeps the parents abreast of all the happenings in the school in a variety of ways:

- Online School Management Software
- Regular SMS alerts
- Emails and printed circulars
- Regularly scheduled interactions with Teachers and Principal

Online School Management Software :

Parents can access a secure, password-protected website to understand their child's progress. The portal also gives information to the parents on their wards' attendance, details on fee payment, school calendar, updated time table, special announcements, access to photo galleries of their child's class and school, etc.

Staff :

The Global Edge School has an amazing team of dedicated, well qualified, postgraduate and trained teaching and non teaching staff, who are committed to the cause of teaching and making a difference in a child's life.

Transport :

GE provides safe and efficient transport through supervised, well-maintained buses. Transport is available to and from all key locations in the twin cities including far-off areas.

GLOBAL EDGE SCHOOL, Kukatpally

The Global Edge School, Kukatpally is run under the aegis of MBR Educational Society, which is committed to provide quality education. GES- Kukatpally is marching ahead with the same motto from strength to strength.

The Global Edge School, the name itself encompasses our thinking. We have the cutting edge technology, infrastructure, pedagogy and ambience to support the child to become a global citizen and ensure success in every sphere of life.

Smart Classes

Smart Classes

The Global Edge schools are planned so that they are comfortable, safe places for learning and fun. The Curriculum Research Team provides audio-visual resources that support teachers and students in understanding lessons with a new level of clarity.

Security: The entire premises is under CCTV surveillance, plus the site is managed by a team of trained and qualified security personnel.

The Global Edge School aims to provide quality education, and well rounded learning experiences to all its students in a safe, comfortable and child friendly environment. It thereby ensures a positive and enriching outcome of the child's educational journey with the school.
