

CIRCULAR

D.E.A.R. DAY

22-4--2021

Dear Parents,

Children who read do better in all aspects of schooling and beyond.

With the belief in this thought, to imbibe the value of books in our children and create an urge in them for reading, we observe D.E.A.R day (Drop Everything and Read) *tomorrow 23rd April * and the whole school reads a book at a prescribed time.

You are requested to make your ward ready with any story book (a short story book, a novel, a magazine etc.,) by the first period.

Regards

GES
