NURTURING YOUR AMBITIONS

26-4--2021

Dear Students,

Confused about which career to choose? 'How To' is an endeavour to guide you about the various options available and how to pursue them.

We bring to you experts in various fields to interact with you. These specialists will take you through their journey, thereby providing an insight into the multitude of choices available.

Two webinars are slated per week and the schedule will be shared with you shortly. Please ensure that you make the best use of this opportunity.

Regards

GES
