

GLOBAL EDGE SCHOOL, KUKATPALLY

ANNUAL REPORT 2023-24

Global Edge School (GES) Kukatpally has marked its presence as a trailblazer in the field of education, achieving numerous accolades and milestones in the eleventh year of its journey. Annual Day celebration serves as a platform for students, educators & guardians to gather & rejoice in the school's achievements. It is my pleasure & privilege to present the Annual report for the academic year 2023-24.

Growth Slide

What sets GES apart is its unwavering commitment to providing child-focused, quality education. With a dedicated team of 90 teachers and a student body of around 1230, the school has successfully retained its positions in the rankings. This year, GES KPHB has reached another significant milestone with the upgradation to Senior Secondary Level, offering streams in Science, Math, Commerce, and Humanities. In order to make the future path clear, many career orientation programs were organised for the students & parents.

GES KPHB, nestled in the Northwest zone of Hyderabad, has been recognized as the 3rd Best CBSE school in the region and the 17th Best CBSE school in Hyderabad by Times School Ranking for the year 2023.

Global Edge School, KPHB is awarded as the **Happy Community** school under Special mentions as per **Times School Survey**.

The Global Edge School, Hyderabad is selected among the top 500 schools for the **Brainfeed Trailblazer Schools 2023 Award** recognition of excellence, innovation, and dedication to shape the lives of students as future nation builders.

GES KPHB is ranked No. 1 in 'Value for Money' by EDUCATION TODAY

ACADEMICS: The success of GES is further reflected in the 100% CBSE results for the academic year 2022-2023, showcasing the exceptional performance of its students.

28% SCORED ABOVE 90%

34% SCORED MORE THAN 80%

21% SCORED MORE THAN 70%

AND 17% SCORED MORE THAN 60%

Our student L. Anyutha scored 98.6% becoming the school topper and Y. Pavani coming in next scoring 97.8%

We expose our students to various evaluation processes of different parameters for gaining practical knowledge through programs like:

ASSET is an assessment of scholastic skills through educational testing. This test helps identify gifted students with the potential to undertake topics beyond their grade level.

COGNOSIA: a neuroscience Cognitive assessment, done to make the students future ready by assessing and imparting critical cognitive skills including problem solving skills, reasoning, working memory and creativity. Our students are benefited by attending regular classes from experts as part of the curriculum.

LogIQID: LogIQids is a first of its kind customized tool to enhance the Logical Reasoning skills in kids in the most structured way possible. Logical reasoning is a very important skill-set which is not taught in school. With LogIQids we provide a structured and personalized way to develop this skill in school going children. I would like to present to you our Logiqid international & national rank holders: Sanskriti, Nimesh, Gunaditya, Akshit, Sharlee & Tisha.

We Believe that rather than fear, it is the love for doing something which can trigger the motivation required for perseverance. For this we incorporated butterfly fields with the single primary goal of "igniting" that spark which triggers interests and eventually transforms into love for learning that makes all the difference in the journey.

STUDENT EMPOWERMENT

The school takes pride in its democratic values, evident in the authentic student council elections. We believe in empowering the students to be global leaders

This year Y. Laasya & Sai Srihan of Grade X were elected as School Captains. Our XIth graders Harshali & Yuvraj were elected as honorary School Captains. Students were elected for posts of Sports Captain, discipline in charge, assembly in charge, environment secretary, literary secretary and heads of all 4 houses. As a practice of environment awareness, the entire election process was digitised, saving tons of paper.

According to the mission of GES, we believe education is not just confined to the text books but is also learnt through various other methods like:

Techradiance: Our students attended workshops on the latest technologies like Techradiance, in association with IIT Hyderabad. The school ensures a 360 degree learning for its students. 43 students have been selected for attending the second level of workshop to be held at IIT, Mumbai in the near future.

Diplomathom Global is an innovative global educational program that simulates international organizations like the United Nations, European Union, Internet Association, World Bank etc. to empower young minds to become future leaders.

In an endeavour to make future global citizens Model UN is conducted helping students to learn more about the principles of the UN and to know how it functions. GES students participated in Model UN, conducted by TGES, Kokapet.

Mock Parliament: a simulation of the parliamentary proceedings of legislature and executive, based upon the Indian Parliamentary system was conducted in the school campus. It has been established to promote the activities of community service programs and to advocate social or political changes. Its aim is to promote INDIA AMONGST INDIANS. Students in GES actively engaged in this.

GoSharpner is a platform where action-oriented young minds from all across the globe meet, discuss and act on ways of making the world a better place. It enables impactful contributions through secured communities, safe and meaningful interactions, experiential activities, and curated events. **Spell Bee** Competitions were also held to enhance spellings of the students. **Math Bee** was also conducted to sharpen the mathematical skills of the students.

STUDENT ACHIEVEMENT BEYOND ACADEMICS BriBOOKs Our budding authors Hima Mariam David of Grd. 6 & Sai Parnitha of Grd 10 had their books published by Bri Books. **Book reading with Kiran Bedi** saw participation from our students Miruthika & Lincy. Where they presented their views on different topics with clarity & confidence. Our STUDENTS Rushitha & Saanvi of Grade 9, actively participated in **State level NEP conference**, adolescent life skill summit- held as part of **G20 summit by CBSE**. Our students voiced their opinions by taking a stance against bullying and shared their keen insights on managing peer pressure.

FIELD TRIPS is another way of making students learn from real life situations.

Emphasizing learning beyond the classroom, field trips are organised, which are not just fun outings but for serious learning that takes place while the kids are having a great time. This year children went to Jaipur, Deccan Trails & Ramoji Film City. As a part of school excursion.

Pre-Primary students were taken to pet shop, Rhythu Bazaar, Vijetha Store on field trips.

Primary students visited the Post office & Birla Planetarium, to name a few. They will be going on their picnic in the month of January.

INTER SCHOOL COMPETITIONS: Our students participated in various inter school competitions & won prizes.

This year GES KPHB had the privilege to organise **Orators for Life** an inter branch English Elocution competition in its campus. It was a great experience for our students to organise & compete with good talent. In The **'Melange'** organised by Meridian International School, our students won 8 prizes in various categories, including winners of disputation, best reporter, moving Images, etc. Our Symphony was adjudged best choir in Twin cities.

In Swatantrata ka Mahotsav organised by Orchid International School, Our students bagged 1st prize in patriotic song & display board decoration competitions. They also won various prizes in fancy dress & music competitions held there. In 'The **CHIREC FIESTA**', organised by CHIREC School, our students won gold medal in debate & Y. Laasya won the best speaker award. Our students also won various medals in Taekwondo competitions held there. In **Causa Scientia**, an inter school science exhibition conducted by TGES, Kokapet, our students Deedepya, Chakrika & Sai Srihan Won 2nd prize in senior category. Yaseen, Sreshta Ayesha Shaik were awarded best innovators in junior category.

Coming to the Environment Consciousness : The institution also focuses on instilling cultural awareness and a sense of environmental responsibility. Every festival, national or local, is celebrated with equal fervour. GES actively participates in global initiatives like "Save Soil" and Earth Day, fostering environmental intelligence in its students. We collaborated with **GoSharpner** to develop environment awareness in children. We also celebrated various events like Save the Earth, Van Mahotsav, distributing Clay Ganesha to ensure conservation of the water bodies & celebrating eco-friendly Diwali.

CELEBRATIONS: GES believes in going beyond traditional classroom learning, evident in its monthly celebration of subjects and themes. We celebrated EEW an English Week, Bhashasaptah, Social Studies week, Science Spectrum to Math Mania, the school encourages students to explore subjects beyond textbooks through various activities and competitions.

Enrapturing English Week was conducted to ignite the love for reading books beyond one's school text, the Eloquent English week focussed on honing their oratory skills.

Dear Day is observed where the whole school is involved in reading, as a part of EEW week.

We find new ways of igniting young minds every day; the scientific temperament and acumen of the students were put to test during the Inter-house science spectrum.

Special Assemblies were conducted on Bonalu, Krishna Ashtami, Independence Day, Teachers' Day, Ganesh Chaturthi, Bathukomma Gandhi Jayanti, Diwali with Mothers, Childrens' Day. Monthly themes were taken to bring in virtues among students in day to day life. Some of the themes were Gratitude, Health Awareness, Sustainability.

Students were empowered through a plethora of workshops that are conducted right through the academic year. So far, we have conducted, safe touch for pre-primary and primary. Health Education for grade IV to XI. Mental health and cyber security sessions for adolescents were conducted.

This year we formed our Safety Club under the guidance of SCSC, in which various aspects of safety like, physical, emotional, cyber, mental & anti-drug are covered. It has total 21 members constituting parents, teachers & students.

We express our gratitude to our parents for actively participating in Blood Donation Camp organised in the campus.

Dental, Eye & Auditory checkups were done in collaboration with Apollo Hospitals for all the students & staff.

Our parents are also inculcating the values of empathy & generosity in their children, which was evident by their generous contributions in the school's initiative of Thanksgiving. The students shared groceries with the our helping staff. Thank you very much parents. **Sports & Yoga:** Students showed their mettle in state competition organised by Telangana State Taekwondo Association and won 16 medals. Our star swimmer Likhita Goud has won 45 medals, 16 golds, 20 silver & 9 bronze, in various district & state level swimming competitions. She also won medals in the CBSE south zone competition, qualifying for Nationals.

Athletics: Our students won various prizes in **CBSE Cluster & Charminar Challenge Khelo Hyderabad Athletic championship**, like throwball & athletic events. Vihan Kandlikar of Grade VI-C, participated in 14th Small Side All India Football Championship for (U-14, 17 boys & Youth) and has been selected for the Nationals. K MAHATHI of grade 4 won gold medal in State level **Archery Competition**

International Yoga Day Celebrations witnessed enthusiastic participation by students & teachers.

Not only does GES prioritize the students' academics, but it also advocates a strong emphasis on the professional and personal growth of its teachers. Through in-house training programs like INSETT and workshops hosted by CBSE (NEP) and other professional groups, the teaching staff at GES remains equipped to mould the future citizens of the world. Continuous training & hand holding is done by experts to make our Pre-Primary totally NEP oriented.

Upcoming events: we have a number of upcoming events like math mania, learner's canvas, kalakriti, to name a few.

Global Edge School Kukatpally stands as a beacon of excellence in education, consistently achieving remarkable feats and nurturing well-rounded individuals prepared for the challenges of the future. As it embarks on the journey into Senior Secondary Level, the school continues to uphold its commitment to providing quality education and holistic development for students.
